**TOWN OF GORHAM
MUNICIPAL EMPLOYEES
PERSONNEL RULES AND REGULATIONS**

Chapter 1: Introduction

Section 1.1: PURPOSE

The general purpose of this policy is to establish a system of personnel administration that meets the social, economic and program needs of the Town of Gorham. This policy includes policies and procedures for employee hiring and advancement, fringe benefits, retirement, discipline and other related activities. All references to masculine gender as used in these Rules and Regulations are intended to include both male and female. The policy and procedures apply to all employees, unless inconsistent with a collective bargaining agreement. These policies and procedures are not intended and do not constitute a binding employment contract with any individual or group of employees.

The goals of personnel management in the Town of Gorham:

- A. promote effectiveness, economy, and productivity in delivering services to the citizens of Gorham;
- B. encourage a commitment to professional excellence in serving the public and continue the professional development and upgrading of employee skills; and
- C. provide reasonable assurances that all rights and benefits of employees and applicants for employment are protected and respected.

The Town may change, amend, repeal or modify any of these policies or procedures at any time for any reason.

Section 1.2: SEVERABILITY

If any provision of these Rules and Regulations or the application hereof to any person or circumstances is held invalid, this invalidity does not affect other provisions or applications of these Rules and Regulations which can be given effect without the invalid provision or application, and for this purpose the provisions of these Rules and Regulations are severable.

Section 1.3: AMENDMENTS AND INTERPRETATION

The Town of Gorham reserves the right to unilaterally amend, delete, modify or change these policies without prior notice and at any time for any reason. The Town Manager and Town Council shall have the exclusive and final authority to interpret these policies

Chapter 2: General Provisions

Section 2.1: AFFIRMATIVE ACTION

As an Equal Opportunity Employer, the Town of Gorham shall employ, upgrade, and promote employees without discrimination as to race, creed, age, sex, disability, sexual orientation, national origin or political

affiliation, the best qualified persons who are available at the salary level established for the position, with first preference being given to citizens of the Town, all other factors being equal.

Section 2.2: RECRUITMENT AND EMPLOYMENT

A. The character of the recruitment and selection process for all town positions will vary with the position. Within the limits of time during which a position must be filled, there shall be as wide a search for qualified candidates as is practicable, this may include advertising, open competitive examination, contact with state and other employment offices and contact with special sources of information. It shall be the duty of the Town Manager or the responsible body to seek out the most qualified employees for the Town. Citizens of Gorham will be given first preference for the position, all factors being equal among the candidates.

B. No immediate family member of any Department Manager may be gainfully employed to work in his/her department. "Immediate family" means parents, spouse, brother, sister, child, stepchild, adopted child, grandmother, grandfather, mother-in-law, and father-in-law.

C. As a condition of employment, the Town may require a physical exam by a physician of the Town's choice at the expense of the Town.

D. The Town is committed to providing an equitable and competitive compensation package that will attract and retain well-qualified employees.

Section 2.3: CLASSIFICATIONS OF EMPLOYMENT

A. REGULAR FULL TIME: A regular full time position shall be year-round in nature and the incumbent shall be required to work the standard work week of their particular department. The employee is subject to all personnel rules and regulations and receives all benefits and rights as provided by these rules, except where otherwise provided for in a collective bargaining agreement.

B. REGULAR PART TIME: An employee in this classification works less than the normal workweek, but on a continuing and indefinite basis. The employee is subject to all personnel rules and regulations. Regular part-time employees who work 20 or more hours per week are eligible to receive sick leave, vacation leave, and paid holidays in proportion to the hours worked, provided that the holiday falls on the day that the employee was regularly scheduled to work, but are not eligible for other benefits such as Disability Insurance. These employees are also eligible for Health, life, and dependent life insurance but the Town does not participate in paying the cost of the premium. Employees who regularly work (30) thirty hours or more a week are eligible to participate in the ICMARC Retirement Program and receive a Town match as specified in the Retirement Section of this Policy. Employees should review the retirement section for details. Regular part-time employees who work less than thirty (30) hours a week may participate in the I.C.M.A. Retirement Program, however, there is no Town match.

C. TEMPORARY EMPLOYEES: Temporary employees work on a non-regular basis usually within a limited time frame. Full-time and part-time seasonal employees are included in this classification. They are not entitled to benefits such as retirement, health insurance, holiday pay, or sick pay, except benefits mandated by law.

Section 2.4: PROBATION

A. Any employee appointed to a regular position shall be considered on probationary status for the first 180 days of employment. The object of the probationary period is to determine the ability of the employee to adhere to required work standards through a 180 day period of observation and review by the Department Manager.

B. During the probationary period, the Department Manager, with the approval of the Town Manager, may at any time, remove an employee who is unable or unwilling to perform the duties of the position satisfactorily or whose work habits and dependability did not merit the continuance of service.

C. After the first 180 days, the employee shall receive a formal written evaluation by his/her supervisor which will be delivered to the Town Manager. A successful evaluation will result in the employee being transferred to regular status. Employees will periodically receive written performance evaluations thereafter.

Section 2.5: PROMOTIONS

Town employees shall be given maximum opportunity for advancement in the service. Present employees shall be given first consideration in filling a vacancy, but it is recognized that the good of the community may require that a vacancy be filled from outside the ranks of employees of the Town of Gorham. A decision shall be made only after careful review of the qualifications of all Town employees who apply for the position.

Section 2.6: TRAINING AND EDUCATION

Both the Town and its employees profit from the provisions of educational training opportunities reasonably related to the employee's position for which provisions have been made in the budget. It shall be the responsibility of the Town Manager to provide to Town employees reasonable opportunities for such in-service training and attendance at schools or conferences as will improve quality of performance and bring about more efficient and more effective operation. Representing the Town at out-of-state conferences shall be authorized by the Town Manager, if funds permit, and upon such conditions as the Town Manager may determine.

Section 2.7: DISABILITY ACCOMMODATION

The Town is committed to complying fully with the Americans with Disabilities Act (ADA) and the Maine Human Rights Act, and ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis.

The Town will not discriminate against any qualified employees or applicants because they are related to or associated with a person with a disability. Furthermore, the Town is committed to taking all other actions necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and the Maine Human Rights Act.

Section 2.8: VIDEO DISPLAY TERMINAL TRAINING POLICY

The Town of Gorham is required by a Maine training law enacted on July 1, 1989, and amended on July 17, 1991, to explain or describe the proper use of computer terminals and the protective measures that operators of VDTs should take to avoid or minimize symptoms (i.e., carpal tunnel syndrome) that may result from extended or improper use of these terminals.

This law requires that training be done orally and in writing to all VDT users annually. Included in the training is instruction on proper use of equipment (chairs, desks, terminal holders) and lighting. All new employees must receive the training within one month of their starting date as a VDT operator.

A VDT user can request, through the Town of Gorham Safety Committee, that a professional training in proper use of VDTs review the employee's work station and recommend any improvements. The Town of Gorham will make every effort to insure that each VDT user has the proper equipment to perform their job safely and effectively.

Section 2.9: SAFETY POLICY

Personal injury and property loss are needless waste and squandering of precious resources. Personal injury places the Town of Gorham at a disadvantage in its ability to provide the necessary services and functions to its citizens. Property losses place an undue burden on limited funds for services and general operations.

As an employer, the Town of Gorham is legally responsible to ensure that mandated safety regulations be enforced. It is the Town's policy that mandated safety regulations will be complied with by all town employees at whatever level. This is in the interest of both the Town and the employees.

Where it is the responsibility of the Town to provide safety equipment, it shall also enforce its use. It is incumbent upon employees to utilize such equipment.

It is the responsibility of every town employee to ensure that a safer workplace is maintained and that personal injury and property loss are minimized and/or eliminated wherever possible. This will ultimately reap benefits for us all.

Section 2.10: ALCOHOL AND DRUG POLICY AND TESTING PROCEDURES FOR THE OMNIBUS TRANSPORTATION EMPLOYEE TESTING ACT OF 1991

Policy Statement and Authorization

The Town of Gorham has a strong commitment to the health, safety and welfare of its employees, their families, its customers, and the public at large. Accordingly, the Town seeks to hire and employee workers requiring a Commercial Drivers License (CDL) who are free from the illegal use and abuse of drugs and alcohol, and to protect employees, their families and the public from the adverse effects of alcohol and drug abuse. The Town requires that final applicants selected for the positions requiring a CDL undergo an Alcohol and Drug Test to detect the presence of alcohol and drug abuse substances in the body.

Any applicant with a positive pre-employment test may be denied employment with the Town by reason of the positive test.

The use and misuse of alcohol or drugs, whether prescribed or illegal, impairs the ability of an employee to perform assigned duties, particularly those requiring a CDL, and may endanger the employee, co-workers, the public, the Town, and the public and private property. The Town seeks to prevent employees from using alcohol and drugs when the use of such is illegal, or in any way endangers the Town or the public. The Town also wants to provide appropriate and reasonable assistance to employees whose use or misuse impairs their ability to perform their duties.

This policy is designed to comply with the Omnibus Transportation Employee Testing Act of 1991 and with the Rules and Regulations under CFP 49 Part 653, Prevention of Prohibited Drug Use in Transit Operations and CFR 49 Part 382, Substances and Alcohol Use and Testing (both published February 15, 1994) and related parts, and to provide guidance to town officials on the implementation of the requirements of the Act.

Section 2.11: DRUG AND ALCOHOL TESTING

The following circumstances shall require Drug and Alcohol Testing:

1. Pre-employment. Pre-employment Drug Testing shall be conducted before applicants are hired or after an offer to hire, but before actually performing safety-sensitive functions for the first time. Testing is also required when employees transfer to a safety-sensitive (driver) position. Pre-employment alcohol testing shall be required when or if the Federal Government requires it.
2. Post Accident. Post accident testing shall be conducted after accidents on drivers whose

performance could have contributed to the accident (as determined by a citation for a moving traffic violation) and all fatal accidents even if the driver is not cited for a moving traffic violation.

3. **Reasonable Suspicion.** Reasonable Suspicion testing shall be conducted when a trained supervisor has reasonable suspicions, based upon specific, contemporaneous, articulate observations concerning the appearance, behavior, speech or body odors, that the employee has:
 - A. Unlawfully used illicit drugs and/or abused controlled substances; or
 - B. Report to work under the influence of or has illicitly ingested controlled substances or alcohol during work hours.
4. **Random.** Random testing shall be conducted on a random, unannounced basis just before, during or just after performance of as safety sensitive function. Fifty percent (50%) of employees in safety sensitive positions must be tested for controlled substances and twenty-five percent (25%) of employees in safety sensitive positions must be tested for alcohol on an annual basis.
5. **Return to Duty and Follow-Up.** Return to duty and follow-up testing shall be conducted when an individual who has violated the prohibited alcohol or drug conduct standards returns to performing safety-sensitive duties. Follow-up tests are unannounced and at least 6 tests must be conducted in the first 12 months after a driver returns to duty.

Responsibility

It is the responsibility of the Human Resources Director, under the direction of the Town Manager, to administer and enforce this policy and the procedures as outlined. Employment by the Town shall not be deemed to have been offered nor shall a perspective employee have the right to accept any offer or suggestion of an offer of employment until such time as a drug test evaluation has been received and cleared by the Human Resources Director. Any work performed by an individual for or in behalf of the Town prior to such approval shall not involve the operation of any Town equipment requiring a CDL prior to testing.

The Town of Gorham will contract for specimen collection, medical review, testing, and training for supervisors and employees. It is the responsibility of each department director, division head, supervisor or manager to administer applicable sections of this policy. It is the responsibility of the Human Resources Director and each Department Manager to see that supervisors are properly trained and that employees have notice of and are familiar with these drugs and alcohol policies and procedures.

Section 2.12: PERSONNEL RECORDS

Personnel records are maintained for each employee of the Town. Any employee may review his/her files in the presence of the Human Resources Director between the hours of 8:30 a.m. and 4:00 p.m., Monday through Friday. So as not to cause inconvenience the employee shall set up an appointment for such a review in advance.

Chapter 3: Conditions of Employment

Section 3.1: EMPLOYEE CONDUCT AND PUBLIC RELATIONS

All employees are prohibited from engaging in any conduct, which could reflect unfavorably upon the Town or disrupt the efficient administration of the Town. All Town employees must avoid any action which might result in or create the impression of using public employment for private gain, giving preferential treatment to any person, or losing complete impartiality in conducting Town business.

Cooperation of all employees is essential to efficiency. Our taxpayers are entitled to the best service we can give them. Cooperation, courtesy and responsibility are the key elements of good service.

These policies and regulations are provided to assist the Management Team and all employees in functioning at peak efficiency with minimal cost to the taxpayers.

1. Receipt of gifts: All Town employees are prohibited from soliciting or accepting any gift, gratuity, entertainment, loans, or any other item of monetary value from any person, within or outside Town employment, whose interests may be affected by the employee's performance or nonperformance of his/her official duties. This does not include fund-raising efforts for the benefit of charitable causes or other departmental programs.

2. Business Activities or Solicitations are prohibited: No employee shall engage in any business other than his/her regular duties during work hours.

Section 3.2: CONFIDENTIALITY POLICY

Confidentiality: Many Town employees have access to confidential information pertaining to persons or property in the Town. Employees must not use this privileged information to their private advantage or to provide friends or acquaintances with private advantages. Each employee is charged with the responsibility of releasing only information which is required under the "right to know" law.

Section 3.3: CONFLICT OF INTEREST

No Town employee who is authorized to make purchases shall have any interest either directly or indirectly in any contract with the Town.

Section 3.4: ATTENDANCE AND LATENESS

Employees shall be at their respective places of work in accordance with the general or departmental regulations. In the event of necessary absence because of illness or any other cause, it is the responsibility of employees to see that their Department Manager is advised of the reason for absence prior to the start of the work day and on each subsequent day so he may adjust the daily schedule of work as necessary. Similarly, if you are going to be unavoidably detained for some reason, phone your Department Manager and let them know you will be late and when you expect to arrive at the work place.

Section 3.5: TOWN PROPERTY

Employees must not, directly or indirectly, use or allow the use of Town property of any kind for other than official activities. Town telephones, cell phones, computers, etc. may be used for personal business only on an emergency basis. Any personal long distance telephone calls must be charged to your home telephone number.

Section 3.6: OUTSIDE COMPENSATION

Any employees receiving payment for services, from non-Town sources, rendered during his/her normal work day and for which work day Town compensation was given, shall turn the entire amount of that compensation over to the Treasurer, Town of Gorham. This provision does not apply to activities outside the work day or during periods of vacation.

Section 3.7: OUTSIDE EMPLOYMENT

A Town employee may engage in outside employment. However, no employees may engage in outside employment which in any manner interferes with the proper and effective performance of the duties of their position, results in a conflict of interest, or if it is reasonable to anticipate that such employment may subject the Town to public criticism or embarrassment. Employees must inform their department supervisor of their outside employment. If the Town Manager determines that such outside employment is disadvantageous to the Town or affects the employee's efficiency, the Town Manager shall notify the employee in writing that the outside employment must be terminated. Any employee who engages in employment outside their regular working hours shall be expected to effectively perform their regular duties with the Town first.

The Town shall in no respect be liable nor grant sick leave or disability leave in cases where an employee is injured or contracts an occupational illness or develops occupational disability while engaged in outside employment.

Section 3.8: POLITICAL ACTIVITY

While working for the Town, all employees shall refrain from seeking or accepting nomination or election to any office in the Town government and from using their influence publicly in any way for or against any candidate for effective office in the Town government. Town employees shall not circulate petitions or campaign literature for elective Town officials, or be in any way concerned with soliciting or receiving subscriptions, contributions, or political service for any person for any political purpose pertaining to the Town government. This rule is not to be construed to prevent Town employees from beginning, or continuing to be, members of any political organization from attending political meetings, from expressing their views of political matters, or from voting with complete freedom in any local state or national election.

Section 3.9: DISCIPLINE AND CORRECTIVE ACTION

Whenever, in the supervisor's judgment, employee performance, attitude, work habits, or personal conduct at any time falls below a suitable level, the supervisor shall inform the employee promptly and specifically of such lapses and give counsel and assistance. If appropriate and justified, a reasonable period of time for improvement may be allowed before initiating disciplinary action.

The Town generally follows the principles of progressive discipline. However, the supervisor has the right to determine the appropriate level of discipline, taking into consideration the particular incident and any local, state, and federal laws, rules and/or guidelines.

Disciplinary action may consist of the following:

- 1) Verbal Warning
- 2) Written Warning
- 3) Suspension, withholding or deferring pay increase, or demotion
- 4) Dismissal

Dismissal shall only be done with the prior knowledge of the Town Manager. Notice of such action shall be given in writing to such employee, with a copy to the Town Manager. Such notice shall specify the action taken, the reason therefore, and the extent and duration of the penalty. This notice shall be given to the employee at the time of the disciplinary action.

Any employee who feels that he/she has been treated unfairly shall have access to the grievance procedure as outlined in these rules and regulations.

Section 3.10: GRIEVANCE PROCEDURE

The term "grievance" means any dispute between an employee and management concerning the effect, interpretation, application or claim of breach of violation of Town of Gorham Employment Rules and Regulations.

Excluded from consideration of grievance are those matters pertaining to: hiring, promotion of personnel, and compensation adjustments, except that regular employees may appeal performance evaluation.

Every attempt should be made to resolve any dispute as soon as possible to the satisfaction of all parties.

Steps in the grievance procedure shall be as follows:

- 1) Every reasonable effort should be made for an oral agreement between the individual and his/her supervisor or Department Manager.
- 2) If an oral agreement is not reached, the aggrieved may within five (5) working days file a written complaint to the supervisor or Department Manager. The Department Manager or supervisor shall make a careful inquiry of the facts and circumstances of the complaint and shall make a determination of the merits of the complaints and give a written reply within five (5) working days.
- 3) If the individual is dissatisfied with the Department Manager or supervisor's written decision, the aggrieved may, within five (5) working days, make a formal written appeal to the Town Manager. The Town Manager will, upon receipt of the written appeal, return a formal written decision within five (5) working days. In all cases the decision of the Town Manager will be final and binding.

Section 3.11: POLICY ON HARASSMENT

It is the policy of the Town of Gorham that all our employees should be able to work in an environment free from all forms of harassment. Harassment, as defined by this policy, is prohibited. This policy refers not only to supervisor-subordinate actions but also to actions between co-workers. Any complaints of harassment will be investigated promptly. There will be no intimidation, discrimination or retaliation against any employee who makes a report of harassment.

A. Sexual Harassment:

1. Sexual harassment is the attempt to control, influence or affect the career, salary, or job of an individual in exchange for sexual favors. Sexual harassment can also be conducted which creates a hostile or offensive work environment or unreasonably interferes with a person's ability to perform his/her job. Sexual harassment is an extremely serious matter. It is prohibited in the workplace by any person and in any form.
2. Specific conduct which is prohibited includes, but is not limited to:
 - a. Threats or insinuations, implicit or explicit, that any employee's refusal to submit to sexual advances will adversely affect the employee's retention, evaluation, wages, promotion, duties or any other condition of employment;
 - b. Unwelcome sexual flirtations, advances or propositions;
 - c. Verbal or written abuse of a sexual nature;
 - d. Graphic verbal comments about an individual's body;
 - e. Sexually degrading words used to describe an individual; or
 - f. The display in the workplace of sexually suggestive objects or pictures.
3. Any employee who believes he/she has been the subject of sexual harassment should report all alleged acts to their Department Manager or the Town Manager.
4. Any Department Manager or employee who is found after appropriate investigation to have engaged in sexual harassment will be subject to discipline, up to and including discharge.

B. Verbal Harassment

Derogatory or vulgar comments regarding a person's sex, religion, age, ethnic origins, physical appearance, or the distribution of written or graphic materials having such an effect, are prohibited. Any employee who believes he/she has been the subject of such harassment should report the alleged conduct to their Department Manager or the Town Manager. Any Department Manager or employee who is found, after appropriate investigation, to have engaged in any harassment will be subject to discipline, including discharge.

Effective October 19, 1991, the Maine Legislature passed a new law regarding Sexual Harassment in the Workplace. In compliance with this law, the Town of Gorham is required to provide annual written notification to all employees regarding sexual harassment. The Town of Gorham is also required to provide training to all new employees on sexual harassment before their first anniversary of employment. In addition, new supervisors must receive information on their responsibility to take immediate and corrective action in addressing sexual harassment complaints.

Section 3.12: INFECTIOUS DISEASE POLICY

I. Purpose

This is to establish the policy of the Town of Gorham for managing infectious disease issues as they relate to employees and/or prospective employees including but not limited to the following diseases: AIDS, Chickenpox, Hepatitis A, Hepatitis B, Impetigo, Measles, Mumps, Pertussis, and Parasitic Infestations. Any employee or volunteer who could or does come into contact with bodily fluids while performing his/her job as a Town employee or volunteer, should immediately reference the Town of Gorham Exposure Control Plan. Copies of the Exposure Control Plan are available in the Town Manager's office, as well as in the Police, Fire/Rescue, Public Works and Community Services Departments.

II. Policy

1. It is the policy of the Town to assure to the extent possible a safe and healthful work environment.
2. It is also the policy of the Town to ensure full compliance with state, federal, and local requirements dealing with infectious diseases.
3. Town procedures shall comply with the Center for Disease Control recommendations for specific infectious diseases. These recommendations will be available through the employee's Department Manager.
4. It is the obligation of all Town employees to take all reasonable precautions to protect themselves, co-workers, clients and the public from infectious diseases.
5. The Town of Gorham shall make available to all employees and volunteers who have occupational exposure the Hepatitis B vaccination series and post exposure evaluation and follow-up. Please reference the Town of Gorham Exposure Control Plan for detailed information on necessary procedure to follow.

III. Procedures

1. The Town will not discriminate against employees and/or prospective employees with infectious diseases who are otherwise qualified to perform their job functions with reasonable accommodation. Employees with infectious diseases will be treated under existing policies, state, federal, and local requirements, and collective bargaining agreements.
2. Where allowed by law, the Town retains the right to test employees for infectious

diseases.

3. The Town must maintain confidentiality regarding an employee's health status, and does not have a duty to inform other individual or organizations unless required by law.
4. Upon medical confirmation of an infectious disease that may be a threat to the public health, the affected employee has the responsibility to notify the Town's Human Resources Director, and to carry out his or her assigned duties if reasonable accommodations can be made.
5. Upon notification by an employee that an infectious disease diagnosis has been confirmed and is a threat to the public health, the Human Resources Director will:
 - a. Secure, if possible, all appropriate releases for information from the employee and notify those individuals for whom those releases have been acquired.
 - b. Assist in the identification of reasonable accommodations to be made, if any.
 - c. Assist individual departments, if necessary, in complying with this policy.
6. The Town will treat all occupational infectious disease injuries or illnesses according to state law.
7. The Town will provide appropriate educational opportunities and current informational material on infectious disease issues, including prevention, protection, control measures, and treatment practices.
8. Individual departments have the right to develop protocols regarding infectious disease control provided that those protocols conform to this policy.
9. An employee cannot refuse to carry out his or her assigned duties when dealing with a co-worker or the public with an infectious disease unless that individual makes a threat of harm to the employee. Failure to adhere to this procedure will result in disciplinary action.

IV. Accidental Needle Stick Procedure

Police, fire, and rescue personnel have the highest risk of exposure to needles and syringes. Exposure to a used, contaminated needle places an employee at risk for contracting an infectious disease. In the event of an accidental puncture with a contaminated needle, the procedure is as follows:

1. Wash the puncture site thoroughly with soap/disinfectant and water.
2. Report the incident to your supervisor.
3. Police, fire or rescue personnel must notify the medical facility receiving the patient of the incident.
4. Complete Incident and/or Workers Compensation forms.
5. Establish your potential exposure risk to infectious diseases.
6. Notify your Department Manager to establish your: (1) tetanus status, (2) Hepatitis B status, and (3) HIV exposure.
7. Seek further medical attention if necessary.

V. Procedure for Exposure to AIDS Infection

If a Town employee is exposed to the blood or body-fluid of a known or highly suspected AIDS infected person:

1. Wash the exposed areas thoroughly with soap and water. Clean any spills with a one (1) part bleach to ten (10) parts water solution.
2. Report the incident to your supervisor.
3. Complete the Incident and Workers Compensation forms.
4. Notify your Department Manager as soon as possible to schedule an appointment for a voluntary blood test.
5. The blood test will be drawn within two weeks of the incident, six months later, and nine months later. The blood test is sent to the Maine Public Health Division in Augusta. Results are received approximately one week later. You will be notified of the test results.
6. If all three specimens are negative, you are considered not to be infected.
7. Counseling occurs with each visit or when requested, and is also available to family members and co-workers.
8. Emotional counseling is available through a counselor of the employee's choice and to be provided by the Town of Gorham.
9. Strict confidence will be maintained in all incidences unless appropriate medical and/or information releases have been obtained.

Section 3.13: ALCOHOL & DRUG USE AND ABUSE

The possession, sale, or use of alcohol or illegal drugs on the employer's premises is strictly prohibited and is grounds for immediate dismissal. If an employee is unable to effectively perform his duties or causes disruptions in the workplace due to the influence of drugs or alcohol, disciplinary action may be taken.

Pursuant to Public Law 100-690 Title V, Subtitle D, the Town of Gorham has established the following policy:

The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Town of Gorham's workplace. As a condition of employment with the Town of Gorham, all employees will abide by the terms of the policy and notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. The Town of Gorham, within 30 days of receiving notice, with respect to any employee who is so convicted, will take one of the following actions:

1. taking appropriate personnel action against such an employee up to and including discharge; and/or
2. requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

Section 3.14: WORKPLACE SMOKING POLICY

In accordance with the provisions of the Workplace Smoking Act of 1985, the Town maintains a smoke free environment for its employees and visitors to municipal facilities.

1. The Town recognizes that smoking in the workplace can adversely affect employees. Accordingly, smoking is prohibited in all Town buildings and facilities, Town vehicles and equipment except for areas where it is specifically authorized. The Town Manager's Office is responsible for implementing and monitoring smoking regulations; Department Managers and supervisors are expected to enforce the regulations.

2. Employees are expected to exercise common courtesy and to respect the needs and sensitivities of co-workers with regard to the smoking policy. Smokers have an obligation to keep designated smoking areas litter-free and not to abuse break and work rules. Complaints about smoking issues should be resolved at the lowest level possible but may be processed through the grievance process. Employees who violate this policy may be subject to disciplinary action.

Section 3.15: RESIGNATIONS

An employee may resign from Town service in "good standing". "Good standing" shall mean the submittal of a written notice 14 calendar days in advance of the last day of actual work. Failure of a resigning employee to comply with this rule may be cause for denying future employment with the Town. The Town Manager may permit a shorter period of notice if extenuating circumstances exist. The resignation should be accompanied by a statement by the Department Manager as to the resigning employee's service performance and pertinent information concerning the cause of resignation. The effective date of the employee's termination with the Town is considered to be the last day actually worked.

Upon separation from service in "good standing", the Town shall pay all wages owed as well as earned and/or pro-rated vacation pay and accumulated sick time due to the employee per schedule in the Sick Leave Section of the Personnel Policy, if any on the next regular pay day.

Section 3.16: WORK SCHEDULES

Normal Work Hours

A. The normal working days in the work week shall be Monday through Friday. However, it is necessary, owing to the variations in the different services provided by the Town, that there be variations in the hours and days of work per week within different departments. The hours of work, the starting and quitting time, and 30 minute lunch periods will be established within each department with the Town Manager's approval. The hours of work, the starting and quitting time, or the lunch periods may be changed by mutual agreement of the Department Manager and department employees, subject to approval by the Town Manager.

B. It is understood, however, that salaried employees exempt from overtime shall accomplish the work assigned to the position regardless of the hours required to do the work; this policy will be applied within reason. Those employees not eligible for overtime under this section shall be determined administratively with a master list maintained in the Manager's office. It is the responsibility of each Department Manager to insure that the department's work hours are adhered to by all employees.

Section 3.17: OVERTIME

A. Any time actually worked in excess of 40 hours of a work week shall be compensated for by overtime pay at a time and one-half rate or compensatory time if they so desire except for Firefighter/Paramedics who shall be paid overtime after 42 hours of a work week. Sick leave and other forms of paid leave shall not be counted as time worked. Holidays and vacation days shall be considered work days.

B. Any time worked on a Holiday, regardless of what occurs during the rest of the regular work week, shall be compensated for by overtime pay at a time and one-half rate. In addition, the employee still receives his Holiday pay.

C. When an hourly paid Public Works employee has left work after the regular workday and then is called into work, he/she shall be paid a minimum of three hours pay. If and when time worked, for each particular call-in, exceeds three hours, he/she shall be paid for the actual hours worked.

D. The Town will make every responsible effort to distribute overtime equally among employees and their respective departments.

Section 3.18: COMPENSATORY TIME

A. With approval of the department manager, an employee who earns overtime may be granted compensatory time in lieu of overtime pay. An employee may accumulate up to 40 hours of comp time, after which all overtime shall be paid as wages. In order to take comp time, an employee must make a request at least one (1) day in advance and must receive written permission from the department manager.

B. Exempt employees shall not be eligible to accumulate compensatory time.

C. Department Managers and other FLSA-exempt employees occupy positions of responsibility, accountability, and discretion. They may be required to work outside the normal schedule of working or office hours and are compensated, in part, on the basis of accomplishing the tasks demanded of the position without regard for the specific number of hours worked. They are also expected to be accountable for their time, be available to the public and other staff, and generally to conform with normal operating hours. Exempt employees may take discretionary time off without charging such time off to sick or vacation leave:

1. When it does not interfere with the operations of their department or office.
2. When there are no other priorities which should be completed which, if not completed, might interfere with the operations of another department, and
3. For separate absences of more than one-half a work day, when the employee receives the permission of his/her Department Manager; or, in the case of Department Managers, the Town Manager.
4. Absences of one-half day or less may be taken at the discretion of the employee, subject to the review of the Department Manager; or, in the case of Department Managers, the Town Manager.

Section 3.19: INCLEMENT WEATHER/UTILITY FAILURE POLICY

Inclement Weather

Municipal facilities are made available with public funds to provide services to the public, our customers. As such, it is the intent of the Town to remain open and maintain regular operating hours during most storm events. Employees are advised to be prepared for Maine weather events and are expected to report to work during storm events including most snowstorms. In the event of a particularly significant storm event, the Town Manager is authorized to use his/her judgment and may close appropriate facilities.

1. When the Town Manager closes facilities because of a storm event employees will be paid their regular wages for the remaining balance of their workday.
2. Employees who become concerned with travel conditions, may request permission from their supervisor to absent themselves from work and Department Managers may grant or deny permission subject to the following conditions.
 - a. It is the responsibility of the Department Manager to ensure that sufficient personnel remain at work to provide adequate service to the public and may limit the number of employees who may leave to accomplish this goal.
 - b. Employees who absent themselves pursuant to this paragraph (2) must use accrued vacation time or unpaid leave for the balance of their regular workday regardless of whether the office is closed or not.

Utility Failure/Emergency Event

In the event of an inability to operate because of a utility failure, emergency event or some other condition, the Town Manager may establish temporary facilities at some other location or may declare appropriate facilities temporarily closed. In instances where facilities are closed and employees are asked to not report to work, employees will receive their regular wages during the closure.

Section 3.20: PERSONAL USE OF TOWN VEHICLES BY TOWN EMPLOYEES

The Town recognizes that certain employees are required to be “on-call” during off-duty hours. This policy is intended to assure that these employees are able to have the vehicles at their disposal necessary to fulfill the duties of their positions while at the same time ensuring only those uses authorized by the Town are permitted.

POLICE DEPARTMENT

Marked Vehicles: Employees whose positions require that they be available during off-duty hours to respond to stakeouts, surveillance sites, fires or emergency calls, may with the prior approve of the Town Manager or the Town’s Police Chief, use the Town’s marked police vehicles while “on-call’ during off-duty hours, even if such use involves personal matters.

Marked policy vehicles used during off-duty hours shall be used exclusively within the Town’s municipal boundaries, except those employees who live outside the Town’s municipal boundaries may also use such vehicles to travel to and from the employee’s home but for no other use outside the Town’s municipal boundaries.

Unmarked Vehicles: This provision applies only to the Town’s law enforcement officers who, for purposes of this provision, include the Town’s full-time police detectives and other law enforcement officers who satisfy all of the following requirements: are involved in investigatory or crime prevention work, are authorized to carry firearms and regularly do so, execute search warrants, and are authorized to make arrests (other than merely a citizen’s arrest). All such full-time law enforcement officers whose positions require that they be available during off-duty hours to respond to stakeouts, surveillance sites, fires or to emergency calls may, with prior approval of the Town Manager or Police Chief use the Town’s unmarked law enforcement vehicles while “on call” during off-duty hours, even if the use of the vehicle involves personal matters.

Unmarked law enforcement vehicles used during off-duty hours may be used both within and outside the Town’s municipal boundaries while the employee is off-duty but “on call”. Any personal use of an unmarked law enforcement vehicle by an employee at a time when he/she is off-duty and not “on call” is prohibited unless the prior approval of the Town Manager or Police Chief is obtained, in which case the employee must maintain a legible daily log book that tracks the extent to which the vehicle is used for personal use during off-duty hours when the employee is not “on call” other than for commuting to and from work. The Town’s Finance Director shall provide the employee with the form of the logbook to be

used, and the employee shall return a complete photocopy or the original logbook to the Town's Finance Director at the end of each calendar year. Based on the daily logbook maintained by the employee, the Finance Director shall report the employee's personal use of the vehicle while not "on call" as a taxable fringe benefit to the Internal Revenue Service and the Maine Bureau of Taxation. If the employee fails to maintain a legible daily log book of his or her off-duty use of an unmarked law enforcement vehicle, then all of such off-duty use of the vehicle, whether "on call" or "off call", will be deemed to be personal use that is reportable as a taxable fringe benefit.

FIRE DEPARTMENT

Marked Vehicles: Employees whose positions require that they be available during off-duty hours to respond to fires or emergency calls, may with the prior approval of the Town Manager or the Fire Chief, use the Town's marked fire vehicles while "on call" during off-duty hours, even if such use involves personal matters.

Marked fire vehicles used during off-duty hours shall be used exclusively within the Town's municipal boundaries, except those employees who live outside the Town's municipal boundaries may also use such vehicles to travel to and from the employee's home but for no other use outside the Town's municipal boundaries.

PUBLIC WORKS DEPARTMENT

The Public Works Director is authorized to take home a Town vehicle to allow the Director, during off-duty hours, to respond to calls which require an inspection of road conditions or responding to emergency calls for service. Because commuting to and from work is a taxable benefit under IRS regulations, the commuting miles will be treated as personal use and taxed as a taxable fringe benefit. The \$3.00 per day will be included in the Director's gross income, quarterly, based on the number of workdays for the quarter. Any other personal use of the Public Works vehicles during off-duty hours is strictly prohibited.

The Public Works Deputy Director and Roads Foreman are also authorized to take home a Town vehicle to allow them, during off-duty hours, to respond to calls which require conducting an inspection of road conditions or responding to emergency calls for service. Because commuting to and from work is a taxable benefit under IRS regulations, the commuting miles will be treated as personal use and taxed as a taxable fringe benefit. The \$3.00 per day will be included in their gross income, quarterly, based on the number of workdays for the quarter. Any other personal use of the Public Works vehicles during off-duty hours is strictly prohibited.

TOWN MANAGER

The Town Manager is authorized to take home the Town's unmarked vehicle to allow the Town Manager, during off-duty hours, to respond to emergency calls or attend meetings and functions when acting as the Town's representative. Because commuting to and from work is a taxable benefit under IRS regulations, the commuting miles will be treated as personal use and taxed as a taxable fringe benefit. The \$3.00 per day will be included in the employee's gross income quarterly based on the number of workdays for the quarter. Any other personal use of the Town vehicle during off-duty hours is strictly prohibited.

If the Town Manager decides to receive a travel stipend instead of using an unmarked Town vehicle, then these payments must be treated as a taxable fringe benefit and will be paid through payroll, subject to all employment taxes.

OTHER

Except as stated in this policy, Town employees shall not be permitted to use the Town's vehicles for any other purpose while off-duty.

WORKING CONDITIONS BENEFITS POLICY

A working condition benefit is any property or service provided to an employee to the extent that, if the employee paid for the property or service, the payment would be allowable as a trade or business deduction under Internal Revenue Code Section 162, or as a depreciation deduction under Section 167. In order to qualify as a working condition benefit that is excludable from an employee's income, the employer must require the employee to:

1. use the payment for expenses in connection with specific or pre-arranged activity for which a deduction is allowable under Internal Revenue Code Section 162 or Section 167;
2. verify that the payment is actually used for such expenses; and
3. return to the employer any part of the payment not so used.

If all three conditions are satisfied, the payment to the employee is not subject to payroll and income taxes.

Examples of working condition benefits include an employee's use of a Town vehicle for business and job-related education provided to an employee.

Uniform Allowances and Clothing Reimbursements

Clothing reimbursements and uniform allowances, in order for the amounts to be nontaxable, must meet the accountable plan rules:

1. be specifically required as a condition of employment;
2. not be adaptable to general usage as ordinary clothing; and
3. not worn for general usage.

It is not enough that an employee wear distinctive clothing, the Town must specifically require the clothing. Nor is it enough that the employee does not, in fact, wear the work clothes away from work. The clothing must not be suitable for taking the place of regular clothing.

Example: The cost and upkeep of work clothes for firefighters and law enforcement officers would be nontaxable to the employee since the above criteria have been met.

If clothing does not qualify as a deductible expense (i.e. is a uniform) then, according to IRS Regulations, these payments must be treated as a taxable fringe benefit and will be paid through payroll, subject to all employment taxes.

Example: A detective's suit jacket and related clothing, since they are suitable for everyday wear, do not qualify as a uniform and would be taxable to the employee.

Protective Clothing

Protective clothing reimbursements are nontaxable if for such items as safety shoes or boots, safety glasses, hard hats, and work gloves.

3.21: REIMBURSEMENT OF EXPENSES

Travel Expenses. Employees shall be reimbursed for reasonable and necessary expenses incurred while carrying out approved, official Town business. Such reimbursement shall be made in accordance with current approved rates upon submission of a standard expense sheet, signed by the employee's immediate supervisor. Such reimbursement shall not apply to travel between employee's home and the Town office.

Requests for reimbursement of meals, parking fees, lodging and registration fees must be accompanied by receipts of same whenever possible.

Section 3.22: INTERNET AND ELECTRONIC MAIL POLICY

I. Purpose

Electronic mail, Internet and telecommunication access are resources made available to Town employees to communicate with each other, other governmental entities, companies and individuals for the conduct of business and the benefit of the Town of Gorham.

II. Policy

The Town of Gorham's Electronic Mail System (e mail) and Internet connection is designed to facilitate any Town business communication among employees and other business associates for messages or memoranda. Since no computer system is completely secure, the e mail system is not intended to transmit sensitive materials, such as personnel decisions and other similar information which may be more appropriately communicated by written memorandum or personal conversation.

The e mail system is Town property and intended for Town business. It must be understood that use of this system is a privilege, which may be limited or removed if the privilege is abused at any time or for any reason, at the sole discretion of the Town of Gorham. The system is not to be used for employee personal gain or to support or advocate for non-Town activities or business purposes. All data and other electronic messages within this system are the property of the Town of Gorham. E-mail messages have been found to be public records and may be subject to the right-to-know laws, depending on their content.

In addition, the Town, through its managers and supervisors, reserves the right to review the contents of employee's e-mail communications when necessary for Town business or performance purposes. Employees may not intentionally intercept, eavesdrop, record, read, alter, or receive other persons' e-mail messages without proper authorization.

The Town of Gorham owns and administers the necessary software and licenses to provide access to e-mail and Internet services. Employees may not rent, copy or loan the software, or its documentation. The Town has invested much time and money to secure its electronic systems from intrusion and harmful viruses. Therefore, employees may not provide alternative software to access the system. Employees may be held responsible for any damages caused by using unauthorized software or viruses they introduce into the Town system. All Department Managers are responsible for the implementation and adherence of this policy within their departments.

III. Procedures

A. General Information on Passwords

While you may have a confidential password, users should be aware that this does not mean that the system is for personal confidential communication, nor does it suggest that the e-mail is the property right of the employee. The use of the e-mail system is for Town business. Passwords should be periodically changed to ensure security of the e-mail system. Users should not share their passwords with anyone else, other than as his or her supervisor may require.

B. Internet Use

The Internet provides the Town with significant access and dissemination of information to individuals outside the Town. The use of the Internet system for access and dissemination is intended to serve Town business. Like all e-mail messages, Internet messages are capable of being forwarded without the express permission of the original author. Internet messages are also routinely passed through routers before they reach their final destination. A message is "touched" many times before it gets to its

recipient, and the message author should be aware of this. Therefore, users must use caution in the transmission and dissemination of messages outside of the town and must comply with all state and federal laws.

C. Prohibited Uses

The Town's e-mail and Internet systems may be used only for lawful purposes. When sending e-mail messages, appropriateness and good judgment should be used. The following are examples (but are not limited to this list) of Internet and e-mail uses which are prohibited:

- Communications that in any way may be construed by others as disruptive, offensive, abusive, or threatening.
- Communications of sexually explicit images or messages or that constitutes child pornography.
- Communications that contain ethnic slurs, racial epithets, or anything that may be construed as harassment or disparagement of others based on race, national origin, sex, age, disability or religious beliefs.
- Solicitation for commercial ventures, religious or political causes, outside organizations, or other non-job-related solicitations.
- Access to Internet resources, including web sites and news groups, that are inappropriate in a business setting.
- Communications that encourage conduct that would constitute a criminal offense or give rise to civil liability.
- Any other use that may compromise the integrity of the Town of Gorham and its business in any way.

D. Retention of E-Mail

Generally, e-mail messages are intended to be temporary communications which are non-vital and may be discarded routinely. However, depending on the content of the e-mail message, it may be considered a more formal record and should be retained pursuant to the Town's record retention schedules. As such, these e-mail messages are similar to printed communication and should be written with the same care. Each Department Manager is responsible for establishing and maintaining department retention schedules for the information communicated through the e-mail system.

However, employees should be aware that when they have deleted a message from their workstation mailbox, it may not have been deleted from the central e-mail system. The message may be residing in the recipient's mailbox or forwarded to other recipients. Furthermore, the message may be stored on the computer's back-up system for an indefinite period. Note that e-mail has been classified as "public" documents, i.e. available to the media, in at least one State. Keep that in mind when you create or store e mail.

Employees should delete e-mail messages as soon as possible after reading. An accumulation of files will degrade system performance and response times.

E. Applicability to Employees, Part-time Employees, Contractors, and Other Users

This internet and e-mail policy applies to all employees, contractors, part-time employees, volunteers, and other individuals who are provided access to the Town's system. Third parties should only be provided access to the e-mail system as necessary for their business purpose with the Town, and only if they abide by all applicable rules.

F. Employee Termination, Leave of Absence, Vacation, and Other

Employees who leave employment with the Town of Gorham have no right to the contents of their e-mail messages and are not allowed access to the e-mail system. Supervisors or management may access an

employee's e-mail if employees are on leave of absence, vacation, sick leave or otherwise absent and it is necessary for the Town's business purposes.

F. Penalties

The misuses of the Internet or e-mail privileges may be considered sufficient cause for discipline, up to and including discharge of employment, in accordance with the Town of Gorham's Personnel policy and/or other applicable rules or laws. In addition, in the event of suspected, alleged or actual illegal activity, the Town may notify or cooperate with applicable law enforcement authorities for potential civil or criminal investigation or prosecution.

IV. Acceptance

The Town may require employees to read and accept the terms of this policy before making electronic systems available.

Request for vacation time must be made on properly completed Vacation Request Sheets. Scheduling of vacations shall be done by the employee's immediate supervisor and in accordance with operational needs. In case a holiday falls within the vacation period, the vacation will be extended to compensate therefore. It is the responsibility of the Department Manager to insure that the employee has adequate earned vacation hours available to cover the vacation period requested. Vacation time may be granted only for time already accumulated. Only under special circumstances to be determined and approved by the Town Manager will employees be allowed to "borrow" on future earned vacation hours.

Any absence from duty for which sick leave is paid or for official leaves of absence shall not constitute a break in the record.

Unused vacation days for regular full-time employees may accrue from one year to the next a maximum of 150 hours for employees with less than six (6) years of continuous service, 225 hours for an employee with six (6) years of continuous service but less than eleven (11) years of continuous service and 260 hours for employees with eleven (11) or more years of continuous service. Vacation leave will be accounted for on an hourly basis. Earned vacation time will be accumulated as the employee earns it and will reflect available time on the paycheck stub.

Any employee who has successfully completed their probationary work period may begin using accrued vacation leave in accordance with these policies.

Vacation leave shall not accumulate after an employee has been absent due to a Workers Compensation injury for one year from the first date of absence.

Accumulated vacation leave, subject to the maximum allowed, shall be paid to an employee upon separation or upon death; to his or her beneficiary. The payment will be made in one lump sum.

Section 4.3: SICK LEAVE

Paid sick leave for each regular employee, and each regular part-time employee who works 20 or more hours per week, is earned at the rate of one day for each calendar month of service in proportion to the hours worked and may accumulate to not more than 180 days.

Sick leave may be granted for any of the following reasons:

1. Personal illness or injury of an incapacitating nature sufficient to justify absence from work;
2. Personal medical or dental appointments which cannot be scheduled during other than working hours.
3. Employees may use accrued sick leave in accordance with Family Medical Leave as specified in the Family Medical Leave section.
4. For family medical needs, employees may use up to five (5) days a year to attend to the employee's immediate household who are ill and require care by the employee, unless otherwise covered by Family Medical Leave which shall be used first.

An employee is required to contact the Department Manager, or in the case of the Department Manager's absence, the Department Manager's designee, prior to the start of the employee's regularly scheduled workday but no later than 15 minutes after the start of the regularly scheduled workday unless specific department policy requires otherwise. In the case of an emergency situation, i.e. hospitalization, the employee will make every effort to notify the Department Manager or designee as soon as possible. Failure to report within this time frame will result in disallowance of sick pay for that day.

An employee is required to call the Department Manager or the Department Manager's designee each day of the absence unless previous arrangements have been made between the employee and the

Department Manager. In the event that an employee fails to call the Department Manager or Department Manager's designee the day of the absence, and the day of the absence falls before a holiday, the employee will not receive holiday pay for that holiday period.

The Town Manager may, after 3 days, as a condition precedent to continuance of sick pay, require a certificate of a qualified physician certifying the condition of the employee to be such as to justify the continued absence from employment.

Probationary employees shall not be entitled to paid sick leave until they have completed ninety (90) days employment. At the completion of ninety (90) days employment by probationary employees, cumulative sick leave days shall be computed from the original date of employment.

After any extended sick leave it may be required by the Department Manager that the absent employee obtain a physician's statement, at his or her own cost, that he or she is physically capable to return to normal duty. It shall be the responsibility of the Department Manager to insure that this requirement is appropriately followed before the employee is allowed to return to his or her regular duties.

At the time of separation from employment by the employee, accumulated sick leave, subject to the maximum allowed, shall be paid to the employee as follows:

Start of Employment through the 5 th year	no payment

Because of our interest in employees, we have coordinated a preferred provider program for work-related medical services. For information on who the Town's preferred provider is, please see either your Department Manager or the Human Resources Director.

It is required that all employees, unless it is an emergency situation, seek medical treatment through the Town's preferred provider. Initial medical treatment is to be obtained from the Town's preferred provider and is authorized by law under the Maine Workers' Compensation Act of 1992, Title 39-A, M.R.S.A., Section 206.

All initial medical treatment is to be obtained from the Town's preferred provider and will be scheduled through the Department Manager who in turn will notify the Human Resources Director.

In the case of an employee out of work due to a work-related injury, the Human Resources Director will coordinate a transitional work program with the employee, employee's doctor and Department Manager. This program may be in the employee's department, in a different department or spread over several departments and is designed to provide less strenuous work or modified work tasks to those employees able and approved by their doctor to return to work in some capacity. Transitional work may start at a reduced schedule with a gradual increase in hours or may include a full time work schedule as coordinated by the physician, employee and Town. The Town reserves the right to discontinue the transitional work program or any employee's participation in this program consistent with the provisions of the Workers Compensation laws.

In some instances worker's compensation payments may be held up. If this occurs, the Town will continue to pay the employee by charging his time to sick leave, of which the employee must buy back from the compensation paid by the insurance carrier.
